RAINBOW TIE DYE!

You'll need:

Instructions:

- 1** Draw designs on a piece of white clothing (shirts, socks, bags – you pick!) using rainbow markers (permanent markers work best!). You can draw lines, dots, flowers, stars, or any other design you like. Be creative and experiment with different colors and designs. You can also fill in large areas with solid colors.
- 2** Mix equal parts of vinegar and water in a spray bottle and spray or apply the vinegar and water mixture onto the fabric.
- 3** Cover the fabric with plastic wrap or a plastic bag and let it sit for at least 6 hours.
- 4** Rinse the fabric under cold water to remove excess ink then wash the fabric in a washing machine with mild detergent and cold water.
- 5** Dry the fabric in a dryer or hang it to dry.

Once dry, your rainbow creation is ready to wear for a photo!
