#### Your 80's playlist

You can play the 80's playlist below as your guests are mingling before the murder:

https://open.spotify.com/playlist/5AOeFRUhxqgMo4jRkbFW6W?si=13b6228ad46640a9

You can play the below playlist immediately after Silva's speech.

https://open.spotify.com/playlist/4roVAAisYmL63mOlq96lUy?si=a1b611d9ad3942ff

The first song is Mrs Robinson, you can stop the music and turn all the lights off half way through this song. Then start to play the second song on the play list which is very eerie suspenseful music!

After the murder and when everyone is working through the evidence, you can keep this playlist going because there's more unforgettable 80's tracks on it!
